The Perfect Blend Of
Reliability And Affordability

Connectivity

Enjoy greater convenience with Brother's improved range of wireless and wired LAN monochrome laser machines. The built-in wireless* and ethernet* interface enables multiple users to share the printer for better use of resources.

Plus, the Brother iPrint&Scan app lets you easily print a variety of file types from, or scan documents directly to your iOS or Android devices.
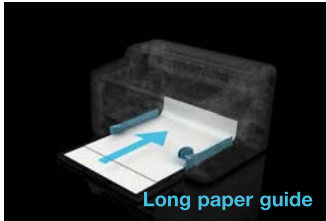

* For selected models

Reliability

Enjoy a smooth printing experience with Brother's Hassle-Free Printing Technology. Designed in Japan for reliable performance; downtime and maintenance are kept to an absolute minimum.
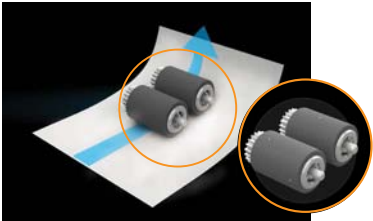

### Prevent Paper Jams with Brother's Hassle-Free Printing Technology

Short paper guide

Before: Short side guide may cause paper skew

Long paper guide

After: Longer side guide prevents paper skew

Unique rubber material prevents dust from sticking onto the rollers. Dual roller system improves paper feeding by picking one sheet at a time.

A short paper path enables smooth printing and prevents paper from getting stuck.

Efficiency

Productivity is kept at its maximum with high print speed of up to 20 pages per minute (ppm), and the Automatic Document Feeder (ADF)^ lets you copy, scan and fax up to 10 pages at one go. Equipped with a 2-in-1 ID Copy feature, you can copy both sides of an ID card onto one page at a touch of a button.

up to 20 ppm

Improved productivity with print speed of up to 20ppm

Save time with Automatic Document Feeder

Increase convenience with 2-in-1 ID Copy function

Affordability

The Brother series is specially designed for more savings by allowing you to replace the toner cartridges and drum units separately. What's more, Brother's affordable machine and genuine toner cartridge can deliver up to 1,000 pages* of high quality prints.

* In accordance with ISO/IEC19752w
^ Only available for MFC-1910W, MFC-1915W, MFC-1810, MFC-1815

ENERGY STAR

GENUINE Consumables brother

Brother strongly recommends the use of genuine Brother consumable products only. Benefits include better quality print, greater yields per consumable, protection of your machine from damages and achievement of optimum performance. As a precaution, please note that your machine warranty may not cover any damages arising from the use of non-genuine consumables.
