

# Epson<sup>®</sup> GT-2500 Series Color Flatbed Scanner

*The affordable document scanner built for busy workgroups.*

Now, your workgroup can take advantage of high-speed document imaging without breaking the bottom line. The fast, affordable Epson GT-2500 Series delivers remarkable scans up to 8.5x14, plus networking for small business environments.

Built to quickly scan large-size documents with precision detail, this hard-working flatbed scanner makes it easy to boost productivity. It even includes a duplex Automatic Document Feeder (ADF) for scanning up to 50 sheets, without sacrificing image quality. The GT-2500 blazes through each task at speeds that are sure to impress, including up to 27 ppm mono text scanning.

Best of all, the GT-2500 consistently delivers vivid colors and crisp, sharp text thanks to 1200 dpi, high resolution scanning, plus 48-bit color. With this versatile performer, you get everything you need for precision document imaging.

Choose the Epson GT-2500 Plus and take advantage of additional features your workgroup is sure to appreciate, like productivity software, and an included network card. With the GT-2500 Plus, each member of your team can access high performance scanning for critical project needs.

The Epson GT-2500 and GT-2500 Plus offer two remarkable solutions for affordable document imaging. And, with their convenient, compact design, both models offer the perfect fit for any office environment.
