HS-2510W

Small from factor All In One
POS

FAN FREE

HS-2510W is the solution for the counter space problem. It takes the all-in-One concept to the extreme! The compact all-in-one design of HS-2510W frees more room for counter space, so that the store owner can display and promote more merchandizes to maximize sales opportunities.

Features:

• **Compact**

The compact footprint of HS-2510W makes itself adaptable to a wide range of counter styles and allows every inch of the work space usage to be optimized, thus creating maximum profit return for the store owners. This is what space saving is all about.

• **All-in-one**

As an "all-in-one" solution, HS-2510W touch-screen terminal integrates some of the most widely used peripherals in daily POS operation, such as 3" thermal printer, MSR, smart card reader, finger print sensor and 2nd customer display, and has the features and functionality to cater for applications in retail, hospitality, health care, banking and more, while offering uncompromising performance.

• **Aesthetics**

Dressed from head to toe in timeless black or white color, the only trend that never goes out of style, and with stylish touches added throughout, HS-2510W is not just a piece of machinery, it is an elegantly crafted piece of art that looks right at home in any store decoration.
